By Special Arrangements!

With the best manufacturers in the land we are enabled thus early to show our young friends the 1909 and 1910 fall styles. We specially invite the young students, who soon will return to their respective colleges, to call and be shown what we deem the most attractive Suits we ever had the pleasure to offer you. It is a well-known fact that few communities exhibit as refined taste in wearing apparel ours. This applies as well to the softer sex as to the sterner.

To be "in it" you simply have got to have the "right stuff."

To fully convince you "that we have it," come in and spend a few minutes with our salesmen, who are eager to show you the incoming styles.

It does not look at all as if the Democracy of this day believed in the principle of Tariff taxation for public purposes only. Florida and Louisiana are as strong for Protection as Massachusetts and Pennsylvania; Virginia is stronger for Protection than Ohio; North Carolina is more of a Protection State than Illinois, and Wisconsin and Iowa will vote for a Tariff strictly for revenue sooner than Alabama.—Washington Post.

Strange Idiosyncrasies and Opinions of Some Gray-Haired People and Those Affected With Scalp and Hair Trouble.

New York City sends out more salesmen, twice over, in all probability, than any other city in the world. At an annual banquet given by a big firm to its salesmen there were present some two hundred gray-haired and bald-headed salesmen. It was a subject of mournful discussion among them that the firm was commencing to prefer younger men. One old patriarch, grown gray in the service, remarked to several gathered around him: "Here I am doing as good if not better work than I ever did in my life; yet, because I am commencing to show my age, am slated for the 'has been' division. I wish I knew of something that would turn my hair to the color of that of a lusty man of thirty." "Why don't you use Q-Ban Hair Restorer?" suggested one of his audience. "My friend," answered the old fellow, "I once visited the plant of a big patent medicine firm. On my way through one room, I asked one of the employees what they put up there. 'Hair Restorer,' I was told. Well, I want to say that among the employees working in that room I never in my life saw together so many gray-haired and baldheaded people." "All right," replied the other, "I have a good head of fine brown hair, haven't I?" Well, my hair three months ago, before I came with this firm, was a fine old iron gray. I used Q-Ban Hair Restorer, you see the result, and the owners of Q-Ban Hair Restorer agreed to refund me my money if it didn't do a fine old iron gray. My wife used Q-Ban Hair Tonic and it has cleared her scalp, stopping her hair from falling out, and I'll bet its increased the length six inches." "Where can you get it?" "Oh, at any drugstore, and the druggist will back up the guarantee."

J. Jas. Wood & Son recommend and sell these preparations. If you are gray haired or your hair commencing to fade you can have the first bottle of Q-Ban Hair Restorer free. Simply call and ask for it. For sale at all druggists.

DON'T EXPERIMENT

You Will Make No Mistake if You Follow This Advice

Never neglect your kidneys. If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are all symptoms of kidney trouble, and you should seek a remedy which is known to cure the kidneys.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in this vicinity.

Can Maysville residents demand further proof than that contained in the following testimonials?

Mrs. Mary C. Evans, Vanceburg, Ky., says: "I had troubles by disordered kidneys for fifteen years. My back was very lame and I suffered from a great many other symptoms of kidney trouble. Doan's Kidney Pills helped me more than anything I had previously used and I am therefore pleased to recommend this medicine to other sufferers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

"Baby's Never Ill"—Remedy FREE

Summer after summer Dr. Caldwell is in receipt of hundreds of letters from mothers all over the country thanking him for keeping their children in good health these hot days. The way is simple for any mother. If the child breaks out with sores, if it scratches itself, if it has no appetite and doesn't sleep well, if its bowels are constipated or too loose, do not become alarmed, but try a dose at bedtime of **DR. CALDWELL'S SYRUP PEPSIN**. There is no remedy so effective in the digestive ailments of children, and so well liked by them for its pleasant taste and non-gripping, than this very same **DR. CALDWELL'S SYRUP PEPSIN**. Ask the druggist who has your confidence and he will tell you that more mothers are buying this remedy today than any other. It is not to be compared to the ordinary laxative, because this contains tonic properties that help to build up the child; nor is it to be compared to salts and purgative waters, for they do but temporary good, nor to tablets or pills, which often gripe and are difficult to take. It is especially the right remedy for women and old folks because of its gentle action. Your druggist will sell you a bottle for 50 cents or \$1.00, according to size.

Those who have never yet used **DR. CALDWELL'S SYRUP PEPSIN** and would like to make a test of it before buying in the regular way of their druggist, can obtain a FREE SAMPLE BOTTLE either for themselves or any member of their family by sending name and address to the doctor. The sample will be sent to your home free of charge. In this way you can find out what it will do without cost. Also, if the case presents difficulties that doctors and other remedies seem unable to overcome, write a letter to Dr. Caldwell explaining how the person suffers and he will give you his best MEDICAL ADVICE, based on half a century of experience in stomach, liver and bowel diseases, without charge. Women who have children should send for "SUMMER SUGGESTIONS TO MOTHERS," containing the doctor's advice on diet, hygiene, etc., is not weather—a very important subject. The address is **Dr. W. D. Caldwell, 507 Caldwell Bldg., Monticello, Ill.**

Was the Meeting of the Woman's Home Mission Society

The All-day meeting of the Woman's Home Mission Society of the First M. E. Church, South, held in the Church Wednesday was a success in every way. The program was carried out as announced.

Reports were encouraging and papers and

addresses instructive and inspiring.

The Memorial Service at 11 a. m. for Slater Lonie January was one of the sweetest, most touching and impressive ever held by our Society.

The Memoir read by the President, Miss Lula Best, for beauty, tenderness and perspicuity of language could not be surpassed.

Miss Best presided over the meeting with grace and efficiency, and much credit is due her for the success of the meeting.

The lunch served by the ladies was delightful, and the social hour was enjoyed by all.

Many of the young ladies of the Church were present and contributed to the success of the meeting.
